VIJAYVELRAJHA
MERN-STACK DEVELOPER
a23bca50acas@gmail.com | 7358477557

📑 PROFESSIONAL SUMMARY

A passionate and dedicated BCA student currently pursuing a degree with a strong foundation in computer science and software development. Proficient in MERN stack development, including building dynamic, scalable, and user-centric web applications using MongoDB, Express.js, React, and Node.js. Seeking an internship opportunity to apply and further enhance my technical skills while contributing to innovative projects in a collaborative environment. Enthusiastic about problem-solving, learning new technologies, and creating impactful digital solutions.
